DESIGN NOTES

The bracelet is made up of a strip of motifs joined together at the second round. A button/bead loop is crocheted and a button/bead sewn at the ends of the bracelet for closure.

The bracelet can also be completed by crocheting the motifs separately then joining them together by sewing with matching color thread.

The model bracelet was made with five motifs for a length of 6.5 inches. You can adjust the length of the bracelet by using more or less motifs. The standard size for women's bracelet is 7 inches. Please refer to the sizes table on the last page of this document.

It is recommended to starch the bracelet lightly to protect it from dirt.
